Security

UCSF is committed to protecting the security of our data, networks, and systems used to advance the UCSF Mission. Every person within the UCSF ecosystem plays a critical role in safeguarding our systems from threats to availability, integrity, and confidentiality.

This site is home to IT Security standards, guidance, tools, and tips to help you perform your work securely. Please visit frequently.

Report a Security Incident [1]

Current IT Security Awareness Articles [2]

May is Theft and Loss Awareness Month! Go to http://awareness.ucsf.edu [3] to learn how to prevent your devices from becoming lost or stolen. EVERYONE WHO PASSES WINS A PRIZE!

GET IT HELP. Contact the Service Desk online, or phone 415.514.4100
