Install the Jabber Televideo Software on a Campus Windows 7 System

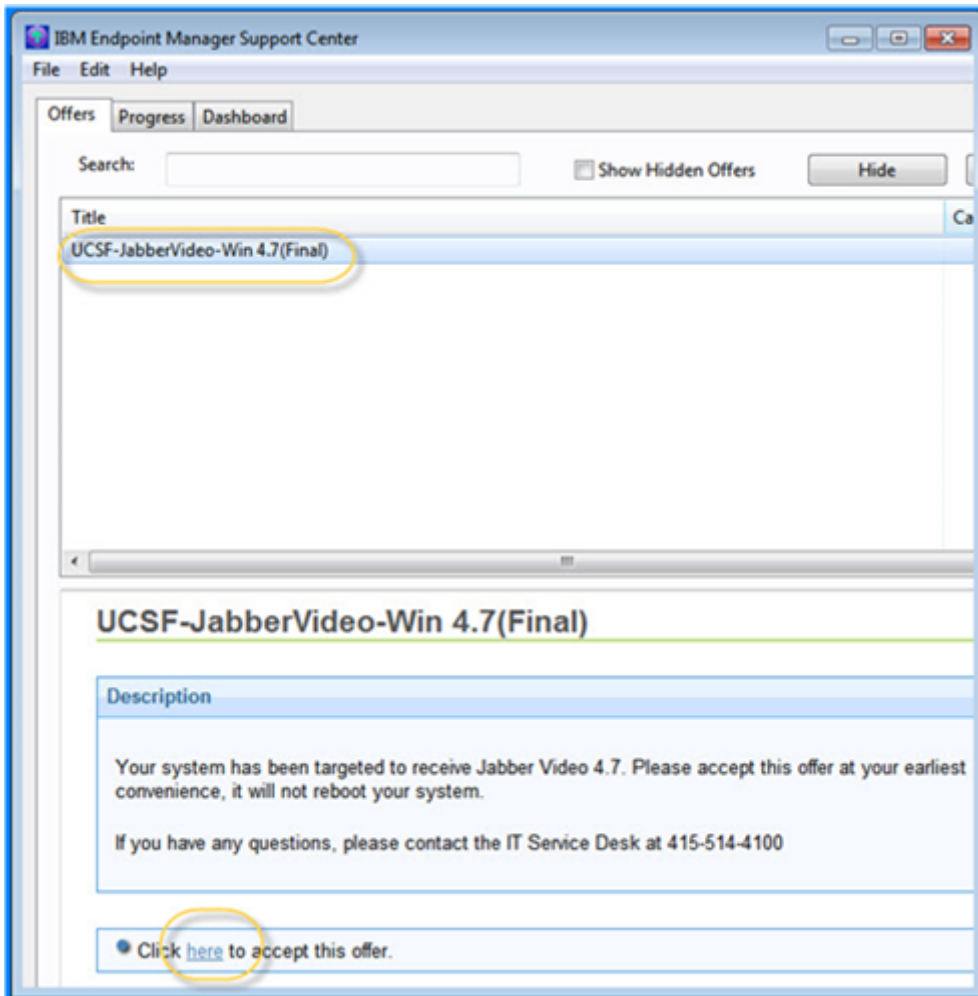

Dan Pucillo on January 28, 2020

Double-click the Bigfix Support Center icon on your taskbar

NOTE: You should see Jabber as an offer (and possibly other software if you have not accepted previous offers yet

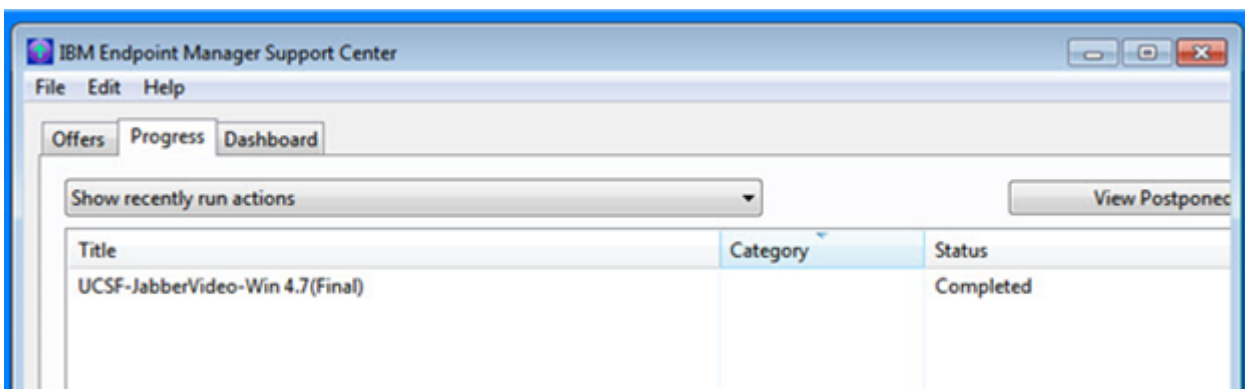

Select the Jabber Video Win 4.7 offer and click on ?click here to accept this offer? - link circled at the bottom of the page - to start the install

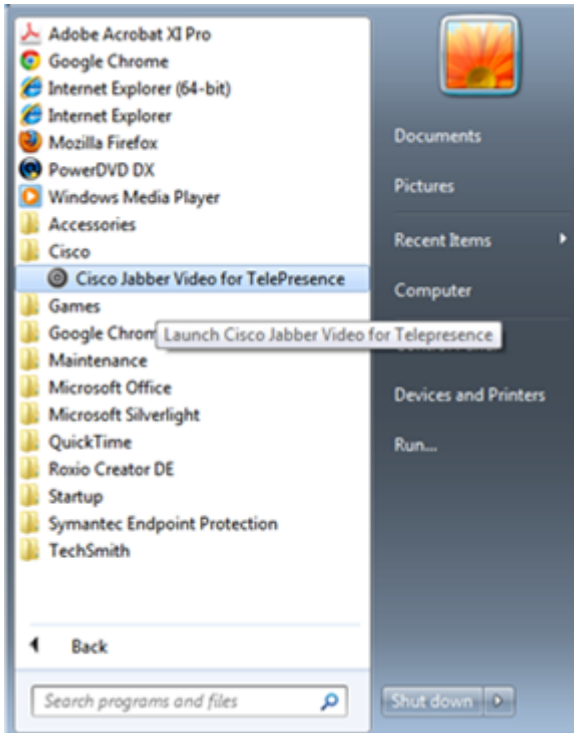

You may close or minimize the support center window (if you are curious, clicking on the progress tab will show the status of the install). Close when completed

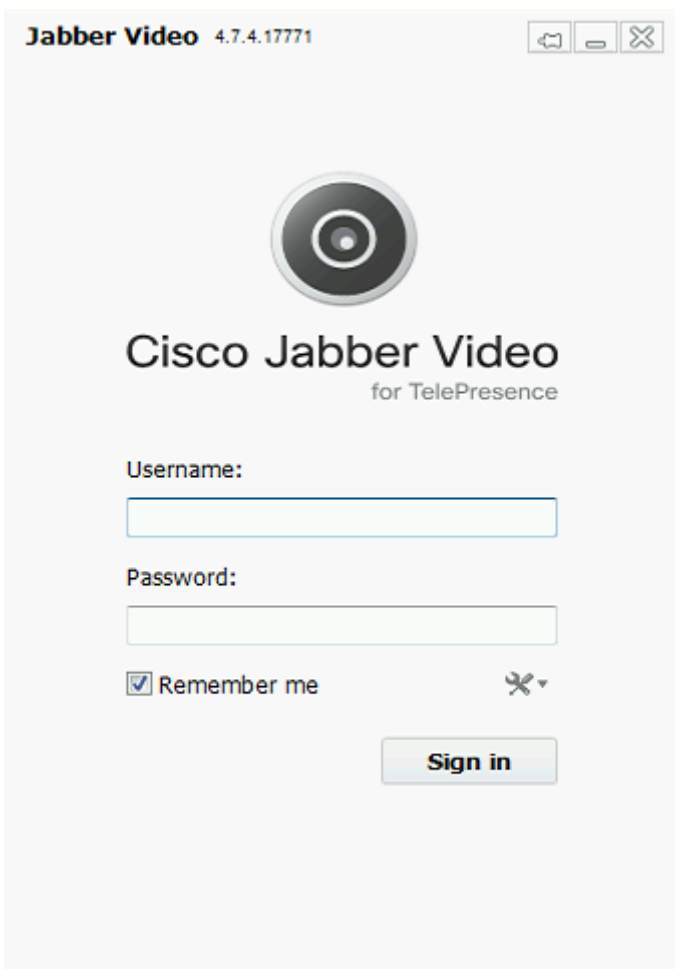

NOTE: This will not reboot your computer

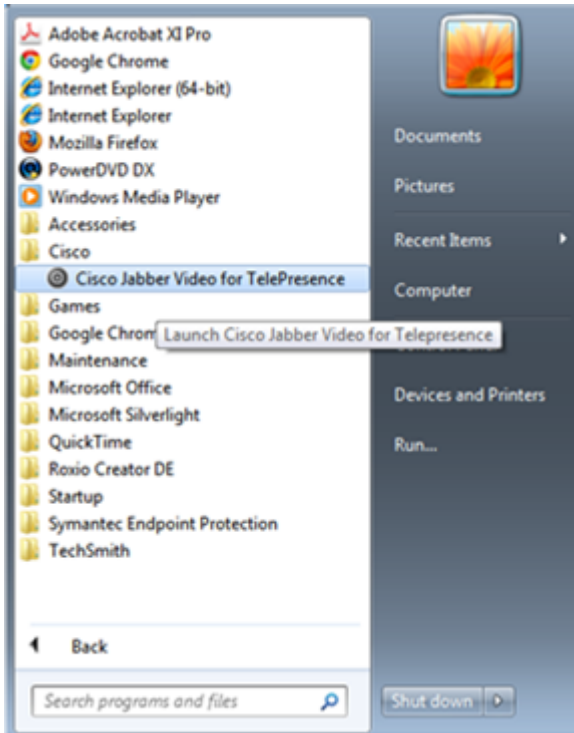

You will notice a Jabber Video icon in the start menu

You may now log into Jabber
