# Scheduled Maintenance:Video Conferencing System (Medical Center and Campus)

Video Conferencing System (Medical Center and Campus)

## Status Type

Scheduled Maintenance

## Private

Public

## Date and Time

Wednesday, February 24, 2016 - 18:00 to20:00

## Reason

IT will be performing firmware updates on the UCSF Video Communication Servers (VCS) which require system reboots.

## Impact

During this timeframe, video conferencing including Jabber Video (Movi) and remote telehealth consults could experience short, intermittent losses of connectivity impacting conferencing clients internally and externally.
