

Scheduled Maintenance:Medical Center Desktop / Laptop Security Patch Deployment

Medical Center Desktop / Laptop Security Patch Deployment

Status Type

Scheduled Maintenance

Private

Public

Date and Time

Thursday, March 10, 2016 - 18:00

Reason

To bring Medical Center desktops and laptops into security compliance with minimum patch standards.

Impact

WHAT YOU SHOULD DO: Customers of non-clinical desktops and laptops will receive a 24-hour countdown to reboot, after the security patch updates have been deployed.

Caradigm Public Shared PCs in patient care areas will be restarted at their normal scheduled restart of these devices, and will not receive a 24-hour countdown.

ADDITIONAL INFORMATION: To minimize impact to patient care, deployment will begin in non-clinical areas and then patient care areas.
