Using Electronic Mailing Lists (Listserv)

[Request a new UCSF Listserv](#) [1]

Due to the proliferation of numerous and varied listservs, requests for a new listserv must be accompanied by a business justification and unit-head sign-off. Listservs not used with a year's time will be automatically deactivated and removed.

More Listserv Information

Important: *Do not post protected data to a Listserv*

UCSF Information Technology Services hosts electronic mailing lists (listservs) for the UCSF community to support and promote the mission of the University: teaching, research, patient care, and community service. Listserv owners must be UCSF faculty, students or staff. Below are links to information pertaining to listservs at UCSF.
